COMMUNITY REMINDERS

HEATING YOUR APARTMENT:

With cold temperatures here, please keep your HVAC set to at least 65 degrees to keep pipes from bursting and flooding your apartment and neighboring units. This is an important item to put on your to-do list when leaving town for the weekend or upcoming holidays. Changing your filter monthly will help with the efficiency as well!

PETS:

Please be sure to keep your pets leashed while out in the community! This includes while on your patio or balcony. In addition to this, please remember to pick up after your pets. There are various waste stations around the community.

TRASH/RECYCLE BIN:

Thank you all for doing a great job keeping the trash compactor area clean. Please be sure to put all cardboard boxes in the recycle bin located in the Treetop section, be sure to break down all of your boxes prior to placing them in the recycle bin.

TREE REMOVAL:

We will be providing Christmas tree removal this year in early January and will keep you updated on a specific date and drop off location.

Upcoming Maintenance

Welding technicians will be here this month to perform repairs on stairways and railings.

Leaf Removal taking place
December 15th-23rd

Gutter cleanings taking
